The Gas Release Program Workshop

On-site registration until May 21

With relation to the completion of the Gas Release Program (GRP) consultation process, Polskie Górnictwo Naftowe i Gazownictwo S.A. (PGNiG) invites all interested parties to participate in Workshop dedicated to the GRP. Workshop will take place on 28 May 2012, from 10:00-14:00 at the Courtyard by Marriott Warsaw Airport Hotel, ul. Żwirki i Wigury 1, 00-906, Warsaw. Entities interested in participating in the event are invited to register using the form which is available at www.pgnig.pl/pgnig/warsztaty/?s,main,language=EN. Application deadline expires on 21 May 2012 at 12:00.

***

The Gas Release Program has been prepared by PGNiG in connection with the Roadmap for gas prices release in Poland, a document that is currently being drafted by the Polish Regulator, The Energy Regulatory Office. The Roadmap foresees that a requirement for the release of gas prices for industrial and commercial customers in Poland is the creation of liquid wholesale market. The gas offered within the Gas Release Program should be available for all market participants on conditions consulted with them and agreed with the Regulator afterwards.
